givejedahand #LCBO in #captainstreasures #mirror - such a #hole is depressing to look at let alone which qualifues it for #streetphotography. This part of #QueenWest in #Parkdale near #Lansdowne is only getting #weirder and not very #nicely. Many people about #actingout too #violently. #CAMH #CAMHFOUNDATION aren't doing their job. All the #artificialintelligence with Ole #Doc #Rat #Brainn - hello Sean Hill - over at #Krembil #Neuroinformatics cannot compensate for the obvious deficit of #care - and #commonsense. The #streetsoftoronto are #bad - very! - for #MentalHealth.
